Fixed in Version:
Target Version:

Summary: Error after saving changes to form that has been deleted
Description: Error after saving changes to form that has been deleted
Steps To Reproduce:

1. Open project with locked evaluation form. Open form in Designer.
2. Open Project Explorer and delete project that is currently in use.
3. Click on 'Clear all items' in toolbar. Press 'Yes'.
4. Click on 'Import from Project' in toolbar. Select any form. Press 'Ok'.
5. Click on 'Yes' in dialog message about saving changes.

Actual result:
 Error occurs (see screenshot and log file).

Expected result:
 User can see correct message that form was deleted
